SPEAR'S | WEALTH MANAGEMENT AWARDS

CENTRAL LONDON NOVEMBER 2019 5.30-10.30pm

Spear's is the multi-award-winning wealth management and luxury lifestyle media brand whose flagship magazine has become a must-read for the ultrahigh- net-worth (UHNW) community.

IT IS REQUIRED READING for the affluent financial services community, including the bankers, lawyers and family offices who advise the ultra wealthy. Since its launch in 2006, *Spear's* has established itself as Europe's leading wealth management authority, as well as for its witty and incisive commentary on business, lifestyle and culture. Using print, digital, events, awards and research-based products and services, *Spear's* is uniquely placed to connect financial and luxury brands to this exclusive and elusive audience. The *Spear's* readership is made up of extremely wealthy individuals and families and ranges from hedge fund managers to property developers, rock stars to Rich-Listers, entrepreneurs and entertainers.

THE SPEAR'S WEALTH MANAGEMENT AWARDS

Our flagship event, the *Spear's* Wealth Management Awards, acknowledge and honour entrepreneurs, philanthropists and others for their innovation, success and outstanding contribution to the wealth management world and beyond.

An A list networking cocktail party and awards ceremony, the *Spear's* Wealth Management Awards provide a platform for over 500+ of Europe's most influential and wealthiest individuals to celebrate and meet the best and most innovative individuals and companies across the high-net-worth world.

Categories range from Entrepreneur of the Year and Philanthropist of the Year to Private Banker, Family Lawyer and Property Adviser, covering every aspect of the HNW world that matters to our readers. Our shortlists, based on the work of the *Spear's* Research Unit, are devised with expert participation and a panel of judges then picks a winner. The event is extensively covered in *Spear's* magazine and digitally via Twitter and online at spearswms.com, as well as in key daily newspapers and trade press.

The Awards will celebrate the very best in wealth management, private banking, law and more. Once again we will be rewarding the rising stars of the industry with the now established and much coveted New Young Turks Awards. This provides the opportunity to meet the next

generation of CEOs, top lawyers and senior leaders in fields from finance to law, art to property.

OUR SECOND DECADE

In 2006, when *Spear's* launched, there was nothing in the market like it. No brand which spoke to both London's HNW community and the wealth management community who serve their private client needs. No magazine that understood their specific concerns as well as having an eye for the more pleasurable and finer aspects of becoming a member of the HNW and UHNW world. Today, there is still nothing like *Spear's*. After celebrating our Twelfth Anniversary in 2018 *Spear's* looks forward to continuing its second decade as the magazine and brand that is globally recognised as the key authority on Europe's wealth landscape.

The *Spear's* Wealth Management Awards 2019 promise to be a spectacular celebration of our landmark second decade as the voice of wealth management. With the move to the prestigious Dorchester Hotel the 2016 Awards were hailed as the best in *Spear's* history, but we intend to make them even better: the winners even more innovative and successful, the guests even starrier and wealthier. There won't be another opportunity for you like the *Spear's* Wealth Management Awards 2019.
